TABLE OF CONTENTS

This directory is divided into four parts:

Part 1: Market Contacts Summary TablesPAGE 2

Part 1 is composed of summary tables of recycling market contacts. These tables list the company names, contacts, recyclable materials they accept and if they accept mixed loads. This section is broken down into the following categories:

- Manitoba Local Recyclers
- Manitoba Brokers and Regional Recyclers
- Manitoba Markets
- Other Canadian Markets
- American Markets
- Plastic Markets Summary
- Table of Definitions (Acronyms and Examples)

Part 2: Definitions – Acronyms & ExamplesPAGE 9

Part 3: Market Contacts DetailsPAGE 10

Part 2 provides detailed information about all of the contacts listed in the summary tables in Part 1. Each recycling market contact has the following information provided about them:

- Company name
- Mailing address
- Processing plant address (*If different from mailing address*)
- Contact name
- Telephone number
- Fax number
- E-mail address
- Web-site address

Part 4: Recyclable Material HaulersPAGE 19

Part 3 is a list of trucking companies that can ship recyclable materials. This list contains:

- Trucking company names
- Telephone numbers

Part 5: Other Recycling OrganizationsPAGE 20

Part 4 is a contact listing for other waste management and stewardship organizations, such as:

- Composting (Resource Conservation Manitoba)
- Construction & Demolition Debris Recycling (MB Heavy Construction Assoc.)
- Household Hazardous Waste (Manitoba Conservation – Pollution Prevention Branch)
- Oil and Oil Filter Recycling (Manitoba Assoc. for Resource Recovery Corp.)
- Ozone Protection (Manitoba Ozone Protection Industry Association Inc.)
- Tire Recycling (Tire Stewardship Board)
- Waste Reduction, Energy and Water Conservation, Green Buildings (Green Manitoba)

The information provided within this directory is based upon direct responses received from surveys conducted by MPSC staff. The MPSC does not endorse or specifically recommend any company listed in this directory. The nature of the recycling industry is such that materials accepted and prices paid varies by firm and can change over time. It is your responsibility to contact these companies directly to arrange for the sale and transportation of your recyclables.
