

Eco-Poster Art Event

February 1 – March 15, 2009

- Students are invited to submit Eco-Posters that creatively express learning on environmental issues.
- Choose from one of the following Eco-Poster themes:
 - **Waste Reduction (4Rs)**
 - **Water Conservation**
 - **Energy Efficiency**
 - **Habitat Loss**
 - **Climate Change**
- All participating classrooms will be entered into a random draw to win various prizes, including three grand prizes of environmental education field trips. Field trips (including programming and transport) will be awarded as follows:
 - **Grades K – 3: Living Prairie Museum**
 - **Grades 4 – 6: FortWhyte Alive**
 - **Grades 7 – 9: Manitoba Model Forest**
- Event results will be announced at Take Pride Winnipeg!'s *Team Up to Clean Up* spring kick-off event and participants will be notified by March 31st, 2009.
- Student Eco-Poster art may be reproduced for display at various public locations as part of an awareness and education campaign.
- Poster size must be 8.5" x 11" in dimension and be an original freehand drawing.
- The event is open to all early and middle year students in Manitoba.

To participate teachers must fill-in an entry form by March 9th, 2009 now available at www.greenmanitoba.ca
